Jan Shoot Notes

3-D season got off to a great start. Actually, it started a few days before the first shoot. On Dec. 27th, the work crew met to try to clear the range of downed trees. Present were Dave, Doyle, Mike Hebner, Dale, Bob Enlow, J. French, Ron McD., Billy, Charlie and Bud, Jerry B, Ron Nixe and myself. Everyone worked hard, but it didn't seem like it. When you combine chain saws, log chains, axes, and toppling trees with this bunch it was more of an adventure than work.

The weather cooperated for both shoots, and it seemed to be good turnouts. Well, I guess it was a little cold on the 17th, but if you're a trad bow hunter you have to be a little crazy. Tim said one of his ears froze off on the back side of the course, and if anyone finds it, please bring it to the next shoot. See y'all the next time.

(Thanks to Dennis for the shoot Commentary)
