### **Other Shoots:**

KTBA – 9/8

As we near the end of the year we are in the process of planning our banquet. We have some delay in tying down our location. The plans are to elect new officers at that time. This will be a secret ballot. We are always looking for new blood in the club. Many of the officers have served for a long time and have expressed an interest in stepping down. If you are interested in being an officer of the club, submit your name to one of the existing officers and we will get you on the ballot.

Our last shoot is coming up, as usual it will be an all deer shoot as we prepare for the upcoming deer season. Please try to attend and help us close the year with a bang!
