***Congrats Trevor!!!***

Great turn out for this shoot. The weather was  
great and everyone liked the food. As always  
several bows for sale and some money did change  
hands.

A hand-out was given to all members indicating  
the topics we will be discussing during the off  
year to help improve the club. Please get any  
input you may have to an officer. We are also  
looking for new officers to get involved in the  
club. We will be re-vamping the way we do our  
elections. More to follow on this.

**We will be doing the indoor Techno at Chick's  
Archery. The dates will come out on that later.**

**Next Shoot: ITBA – January 2008 !**

Another great year. Looking forward to  
2008!!!!!!
