2007 Start of another big year for ITBA

We ended the 2006 year with our second annual banquet. We had another good turnout, excellent food and a good time for all. We awarded our “Best of the Best” award to Dale Pottinger and the top shooter jacket to Billy Ashby.

The hunting clothes are now put away and we start to get serious about the 2007 3D year. As we normally do, we will have 2 shoots in January, February and March and then one shoot a month through September. In the middle of all that, we moved our State Championship 2 day shoot to May 19th and 20th.

The first four shoots have had a good turnout, even though the weather has been a little cool. This last weekend was nicknamed the “Ice Capades” by John Nail. This was done for good reason as many went slipping and sliding around the course. But... all is well as no one was hurt except 1 hog, which has a broken leg. Thanks to the hog for sacrificing itself to protect Dennis Evans.

As always a BIG thanks goes to Dave McKnight and all of his crew for setting a good course and doing the bulk of the clubs work.

Club Meeting Minutes:

You will notice at the top of the newsletter some changes to the leadership in our club. Dale Pottinger is now our Vice President and Steve Redden has become the secretary, relieving half of the duties from Steve Humphrey, who will still remain the Treasurer. We have added two more Range officers Charlie Bolen and Brad Reynolds. Doyle Daniels will still remain the president of the club.

Thanks to Jeff Tegarden for the time he had spent as Vice President of the club.

I would also like to thank Dan Reeves for the time he has been the Editor of our newsletter. Dan will still manage our website and remain an active member.

Four other pieces of news worth noting:

Our club will donate \$200 to the Indiana Nat'l Archery for the Schools Program.

This year we have decided on a banquet date early. This will allow us to reserve the date we wish at the banquet hall. It will be October 27th. Please set that date aside.

Non-member shooting fees went from \$8 to \$10. Another reason to join the club

Many new targets are on order to an already target rich club. One of the more exciting targets we are getting is the Standing Grizzly

From The Editor:

This is the second time I have filled this seat. I want to help provide you a newsletter that will be informative as well as interesting. Please feel free to contact me with any input you have for this newsletter.
