March Shoots

For those that didn't attend you missed two good shoots. We did receive our new targets. We now have a Grizzly, a big Bobcat and several other new critters. As always Dave and his crew did a good job setting the course.

State Championship

As we start getting ready for your 2 day State Championship. We would like to remind all businesses and individuals of the need for door prizes. Dale Pottinger our VP is the person that is collecting these but you can see any club officer to make your donations.

From The Editor:

As a reminder come early and stay late to help manage the targets. These can turn into long days for the folks that set the targets. They can always use your help.

Any items you wish to see in this newsletter, get them to me and I will get them in.

Thanks Steve Redden
